- You may also sign up to receive text message notifications regarding your billing statement. Instructions to sign up for text notifications and view your eBill are online at www.ndscs.edu/payment > View eBills & Receive Text Message Notification Instructions.

- Please note that no communications will be sent to your parents, but there are multiple ways to grant them access.
 - **FERPA** (Family Education Rights & Privacy Act) Release Form: students can allow NDSCS to release certain types of information to others that the student specifies on the FERPA form.
 - **Authorized Payer:** students can allow others to receive your billing notification emails, view your electronic billing statement, and make online payments toward your student account.
 - **Delegated Access:** students can allow others to view your account details in Campus Connection.
