## Notes:

1. The HP 3 Year Accidental Damage Protection Warranty covers damage such as liquid spilled in the keyboard, accidentally dropping the laptop and most damage that is not covered under the normal warranty.
2. The HP 3 Year Warranty includes replacement of hard drives, memory, screens, system boards, etc.
3. **Upon receiving laptop:** The laptop must be either paid in full or with financial aid.  
-If paying with financial aid, all paperwork must be complete and there must be enough to cover the cost of the laptop. Written proof from the NDSCS Business Office that your financial aid is allocated to cover the expense of the laptop after all other college expenses are paid for is also required.
4. NDSCS provides Microsoft Office to students at no charge while they are enrolled in classes. Contact NDSCS Information Technology Services for more information.
5. The Laptop Price will include: Same day service at the on-campus location, imaging and re-imaging of computers purchased through NDSCS and access to loaner equipment if needed.
6. Contact the NDSCS ITS department for more information and to reserve/purchase a laptop at 701-671-3333 option 3.

To reserve your laptop, go to [www.ndscs.edu/laptops](http://www.ndscs.edu/laptops). Click on the Reserve Laptop link towards the middle of the page.
