

Do you need help with your writing or projects?

Step 1: Sign Up!

- One 30 minute session only (some exceptions may apply)
- Walk-in appointments accepted
- You CAN meet with a tutor more than one time on the same paper
- You can meet with any tutor you wish any time they are available

Step 2: Prepare!

- Have a description of the assignment with you
- Have specific questions prepared
- DO NOT miss your appointment
- Be an active participant; no cell phones please!

Step 3: Revise!

- After your tutoring session, revise your essay.
- You may need to sign up for another 30 minute session to address further changes/questions

What your tutor **WILL** do for you:

Answer specific questions about your writing

Help you organize your essay/project as stated in the assignment

Suggest changes to strengthen your writing overall

Help you feel confident about your writing

What your tutor **WILL NOT** do for you:

Proofread every paragraph of your essay. Basic level grammar and punctuation skills are not to be the main focus of your tutoring appointment.

Give you an estimated grade for your essay.

Read an essay you have dropped off for revision. You must be an active participant in the writing process.
